BONSALL COMMUNITY SPONSOR GROUP

Dedicated to enhancing and preserving a rural lifestyle

- 1.6 Stephanie Gaines & Scott Morris from the Watershed Planning Section of the County of San Diego Low Impact Division. A pre test and post test on knowledge of Watershed Planning, permit requirements and low Impact development.

2. PLANNING AND LAND USE

2.1 Continued

2.2 Continued

2.3 TPM 20849 Kendall This project has been reviewed four times. Map supplied by county does not give sufficient information. Review of this project still indicates slope impacted, leach field issue code violation small dwelling on Parcel #1. Septic violation set backs from easement. Request once again –Motion to continue based upon lack of requested information but not limited to topo along easement lines impacts of grading concept grading and once again request for drainage plan for site development plan, code violation issues regarding, one bedroom single family dwelling on parcel #1 including septic. Inadequate septic layout addressing steep site grade and requirement for benching or terraces. What happened to the retaining wall in the last submittal? Where is the fire letter approving this project without a turn around? Motion by Norris Second by Davis; Passed 5-0

3. PERMITS AND VARIANCES

Continued

Continued

4. PROJECTS AND COUNTY ACTION

Review of all items.

5. **ADJOURNMENT** – The meeting was adjourned at 9:25 pm.
